Book (Curriculum) Fee:

Parents will pay for their child's books over a 10-month period (August-May). Families may purchase non-consumable used books from other sources, but the numbers on the back of the books must match the numbers on the book list. Any books that LBCS deems consumable must be purchased new from the school. Test/Quiz booklets cannot be purchased from any other source; doing so will be considered cheating. Please note: Every grade will have a different book fee.

Tuition:

Yearly tuition may be paid as a one-time payment, a two-time payment (semi-annual), or divided into either a 10 or 11-month payment plan (parents' choice). The first payment is due in July for the 11-month plan or in August for the 10-month plan. Payment for tuition and all accrued charges (field trips, extended care, sports fees, etc.) will be due by the 1st or the 15th of the month, depending on which option parents choose during enrollment. For any payment returned for insufficient funds, FACTS will charge a \$30 fee. Facts will also send an email indicating a rescheduled date, at which time they will resubmit your payment.

Uniforms:

LBCS requires uniforms for all students in the Lower School, Middle School, and Upper School. All uniform purchases must be made through the Eagles Store Page on our website at www.lbcswinchester.org. Families will purchase all embroidered uniform shirts and blazer rentals directly from LBCS. All other uniform items may be purchased directly from French Toast or Amazon, allowing families to take advantage of available sales and promotions.
